

Handwriting Font Gift Certificate

John Smith

has purchased for you a

Personal Handwriting Font (Standard Service)

presented by Quantum Enterprises

You will be asked to provide examples of your handwriting on specially created forms. These forms will be processed by computer software, which will convert the characters into a True Type font. You will then be able to use your font like any other font on your computer, but rather than typing in 'Arial' or 'Verdana' for example, you will be able to type in

your own handwriting!

Your font will be great for personalising many different kinds of typed documents. If you have not already been given instructions, or the forms themselves, you can find them at <http://www.quantumenterprises.co.uk/fonts>

If you have any questions, or need any help, please e-mail handwritingfonts@quantumenterprises.co.uk.

Or write to

Quantum Enterprises. PO Box 46, Wellington, Somerset, England, UK. TA21 8YR.
