In our fully equipped handwriting analysis laboratory, we will use optical and digital enhancement of your submitted handwriting sample, plus a signature grid and other measuring equipment, to carefully examine all aspects of your handwriting.

If you haven't already supplied some handwriting for analysis, you can follow some simple instructions for creating a suitable handwriting sample. Print out and fill out the Handwriting Analysis Submission Form and you will be on the way to receiving a full personality chart featuring eight personality traits, and a 500 - 1,200 word personality description.

Your certificate of handwriting analysis will be from 3 to 5 pages and will use a classic font on bordered paper to present the handwriting analysis as an exquisite certificate, complete with a gold embossed certificate seal and signature of authenticity.
